On 16th June 2013 Sunday, AWDP/CTTC JBD graduation ceremony was held for 20 female trainees whom completed their two months painting training course facilitated by AWDP/CTTC team in Jalalabad. Guests from ICC, Directorate of Women Affairs, CTTC senior management team and AWDP/CTTC Jalalabad including 20 Female graduate and their family members participated in this event.

Fortunately the two hours gathering run remarkable, female attendance in the training session for construction painting was beyond our expectations because collecting a number of women for any event/ceremony/program is something impossible particularly in Jalalabad, a location with lots of security issues. However, our team with the proven talent and ability had in their minds that such could happen, if hard work, with a professional

team of trainers and staff are being utilized properly. This could be made possible.

Program started at 1030 hrs by recitation of the Verses from The Holly Quran by Latifa (trainee), Dr Abdul Nasir an introductory talk about CTTC past, present and future, AWDP/CTTC support to the

construction sector. He thanked participants, Afghan Karyab Construction Company, the women painting trainer and her assistant with participants and encouragement of all female painting students. He presented his respect and wished all mothers Happy Mother's Day.

Nafas Gul (painting trainer) made her speech and expressed her thoughts about the program and happiness for such a successful program conducted by AWDP/CTTC JBD. She also expressed her gratitude saying "It was one of my wishes to present and transfer my skills to the young generation and I thank AWDP/CTTC to making it a reality".

Certificates were distributed by different guest participants to the trainees; Shabir Samim AWDP/CTTC Project Manager was called upon to the stage for the close out of the ceremony. He had a brief talk and thanked all the guests and recalled the first day of the painting class and the present situation as it could happen due to the motivation and courage of Afghan Karyab Construction Company which runs under Nafas Gul's management.

At 1130hrs all participants were invited to the tea, after refreshments all participants including female painting graduates visited all existing classes in CTTC campus. We are quite delighted that Afghan Karyab CC has hired 17 of the 20 female gradates for the First Women Painting Team in Jalalabad.
